## SOAR Hiring Data Assistant

Submitted by jalias on Mon, 2015-11-16 16:08

SOAR is hiring a data assistant to help us quantify the performance of the telescope and instruments. This person would work with the scientific staff, for a period of up to 3 years, reducing and writing up data taken in the past and in the future, and in developing efficient procedures for continued performance monitoring.

Details of the position can be found [here](#) [1], together with a link to the on-line application page. We encourage qualified applicants to apply!
